NATIONAL ENVIRONMENT MANAGEMENT COUNCIL (NEMC)

NOTICE TO COLLECT APPROVED AND SIGNED ENVIRONMENTAL CERTIFICATES

Section 81 of the Environment Management Act, 2004 stipulates that any person, being a proponent or a developer of a project or undertaking of a type specified in Third Schedule, to which Environmental Impact Assessment (EIA) is required to be made by the law governing such project or undertaking or in the absence of such law, by regulation made by the Minister, shall undertake or cause to be undertaken, at his own cost an environmental impact assessment study.

The Environmental Management Act, (2004) requires also that upon completion of the review of the report, the National Environment Management Council (NEMC) shall submit recommendations to the Minister for approval and issuance of certificate. The approved and signed certificates are returned to NEMC to formalize their registration into the database before handing over to the Developers. Therefore, the National Environment Management Council (NEMC) is inviting proponents/developers to collect their approved and signed certificates in the categories of Environmental Impact Assessment, Environmental Audit, Variation and Transfer of Certificates, as well as Provisional Environmental Clearance. These Certificates can be picked at NEMC's Head office at Plot No. 28, 29 &30-35 Regent Street, Mikocheni
