**PUBLIC NOTICE**

**UPDATED REGISTER FOR ENVIRONMENTAL EXPERTS**

The National Environment Management Council (NEMC) on numerous occasions had issued public notices directing all registered environmental experts (individuals and firms) to submit information for the purpose of updating the Register. The Council has observed only a few individual experts and firms of environmental experts have responded to the notices issued by the Council. Likewise, some of those who have responded did not provide all the needed information to update the register. The Information requested included the following:

*Individual experts:*

- Business licenses as per Section 3 of the Business Licensing Act Cap 208;
- Tax Identification Numbers (TINs) as per Section 22 of the Tax Administration Act, 2015
- Physical addresses of the office including name and specific location (area, street, ward, district, and region) of the office where the expert is operating;
- Evidence showing payment of statutory annual subscription fees as per Regulation 24 of the Environmental (Registration of Environmental Experts) Regulations, 2005,
- Certified copies of academic qualifications, with Colleges or Universities attended in attaining such qualifications;
- The year of registration with NEMC; and
- List and types of projects undertaken since the date of registration and number of EIA/EA certificates granted. Also indicate whether you were the lead expert or associated with another expert.

*Firms of Experts:*

- Business licenses as per Section 3 of the Business Licensing Act Cap 208;
- Tax Identification Numbers (TINs) as per Section 22 of the Tax Administration Act, 2015
- Physical addresses of the office including name of the firm/company and location of the office/ premises where it operates;
- Names of Directors of the firm and their professional qualification supported with certified copies of their professional/academic qualifications. Also attach CVs of the Company/firm Directors;
- Year of registration of the firm with NEMC; and
- List of EIA/EA projects that have been carried out by the firm after registration with NEMC. For each of the project granted with EIA/EA certificate. Also list names of consultants/experts who participated in each of the project that was granted with an EIA/EA certificate.

Updating the Register of experts is in accordance to Regulation 23 of the Environmental (Registration of Environmental Experts), Regulation, 2005, which stipulates that the Registrar has the responsibility to maintain an up to date Register with names of certified and registered environmental experts. The review of the submitted information for updating the register as of 2018, showed the following:

Out of **819** registered individuals **and 159** firms of environmental experts for **conducting EIA**, only **33** registered individuals **and 37** firms of environmental experts have complete information in our register.

Out of **370** registered individuals **and 86** firms of environmental experts for **conducting EA**, only **23** registered individuals **and 26** firms of environmental experts have complete information in our register.

The list of Individual experts who have complete submissions is shown below:

The Council insists that failure to submit information needed in updating the Register will lead into de-registration of such individual experts or firm of environmental experts as it will be considered to be inexistent. The Council will not receive submission of projects made by Environmental experts who have not updated their information on the register or those who have incomplete information. Furthermore, all environmental experts (individuals and firms) submitting their projects are supposed to have fulfilled the requirement of paying statutory annual fees for this year as the law requires.

For more information, visit the Council's office located on Plot No. 28, 29 &30 Regent Street Mikocheni Dar es Salaam, or NEMC Zonal offices in Mbeya, Mwanza, Arusha, Kigoma, Dodoma and Mtwara within the next 14-days from the date of this notice, when the effect of de-registration will become effective.
