# PROJECT REGISTRATION FORM

FORM No.1	(Regulation 7)				
Application Reference No					
THE ENVIRONMENT MANAGEMENT ACT, 2004					
SUBMISSION OF PROJECT BRIEF					
PART A					
DETAILS OF PROPONENT					
Name of proponent (Person or Firm):					
PIN NO:					
Address:					
Name of contact person:					
Telephone No:Fax No					
E-mail:					
PART B					
DETAILS OF THE PROJECT					
PROPOSED UNDERTAKING/DEVELOPMENT					
Title of Proposal (general classification of undertaking)					

Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE Location area, district, region (attach a site plan/map):	Description of Proposal (nature of undertaking, unit processes (flow diagram). Raw materials					
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE Location area, district, region (attach a site plan/map):	list of chemicals (source, types and quantities), storage facilities, wastes/by-products (solid,					
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE Location area, district, region (attach a site plan/map):	liquid and gaseous)					
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE  Location area, district, region (attach a site plan/map):						
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE  Location area, district, region (attach a site plan/map):						
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE  Location area, district, region (attach a site plan/map):						
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE Location area, district, region (attach a site plan/map):						
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE Location area, district, region (attach a site plan/map):						
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE Location area, district, region (attach a site plan/map):						
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE  Location area, district, region (attach a site plan/map):						
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE  Location area, district, region (attach a site plan/map):						
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE  Location area, district, region (attach a site plan/map):						
Scope of Proposal (size of labour force, equipment and machinery, installed/production capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE  Location area, district, region (attach a site plan/map):						
capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE  Location area, district, region (attach a site plan/map):						
capacity, product type, area covered facility/proposal, market)  2. PROPOSED SITE  Location area, district, region (attach a site plan/map):	Scope of Proposal (size of labour force, equipment and machinery, installed/production					
2. PROPOSED SITE Location area, district, region (attach a site plan/map):

#### **PART E**

## FOR OFFICIAL USE

Officer	Sign	Date	
Comments:			
Decision of the Council:			

## NB:

- 1. If the Project Brief does not contain sufficient information required under the Environmental Impact Assessment Regulations the applicant may be requested to give further information concerning the project or be notified of any defects in the application and may be required to provide the additional information.
- 2. Any person who fraudulently makes a false statement in a project report or alters the project report commits an offence.

Important notices: Please submit the following:

- (a) three copies of this form;
- (b) 10 copies of the project brief;
- (c) the prescribed fees to:
